## **INTRODUCTION - JULIA HYSLOP EQUINE CATEGORY MANAGER / SALES ADVISOR**

---

Hi my name is Julia, the AHD Equine Category Manager and Sales Advisor based in Hastings, Hawke's Bay.

## **ABOUT ME**

---

I grew up in rural Hawke's Bay and have been involved in horses and agriculture for as long as I can remember. Out side of work you'll most likely find me on the polo or hunt field.

With plenty of hands-on experience and a true passion for all things equine I am excited to get stuck in!

We are 100% New Zealand Owned and Operated and we are proud to offer competitive pricing on our full range of Animal Health Products.

Please feel free to call into our office at 2 Tumu Way, Longlands, Hastings or contact me about what AHD could do for you.

I would love the opportunity to have a chat.
